LEFT TO CENTER

THE DEFENDANT HAS A PRIOR CRIMINAL HISTORY

SYNOPSIS

On July 12th 2016, while on patrol Sgt. Jeremy Sharp observed a white hummer h3 drive left to center on highway 181 in Bassett, Sharp also observed what appeared to be a small child standing up in the vehicle. Sgt. Sharp initiated a traffic stop on the vehicle on Highway 181. Upon approaching the vehicle Sgt. Sharp identified the driver as Marquita Reed, and passenger as Rosemary Reed who had a young child standing up in her lap. During the conversation Sgt. Sharp observed Marquita constantly moving around and refused to make eye contact. Sgt. Sharp then asked Marquita to exit the vehicle. While exiting the vehicle Sgt. Sharp observed a clear plastic baggie fall from Marquita's person on the ground. Sgt. Sharp looked at the bag and observed what appeared to be crack cocaine. Sgt. Sharp then weighed and field tested the substance which tested positive for Crack Cocaine with an approximate weight of 7.15 grams. The baggie also contained a smaller baggie containing suspected powder cocaine which was also field tested and weighed with a positive result for cocaine and an approximate weight of .68 grams. The evidence was turned over to the 2nd DTF. Marquita Reed was transported to the Mississippi County Sheriff's Department and charged with possession of a controlled substance crack cocaine, powder cocaine, endangering the welfare of a minor, no child safety restraint, and driving left to center.

ARRESTING OFFICER(S):	SGT. JEREMY SHARP	MCSD
