803 - 8/28/2017 11:51:06 PM On 8/28/2017 I Deputy Matt Malone, along with Deputy Sonny Dill was patrolling the Buckeye area located east of Leachville. We had received reports of individuals tampering with and attempting to steal parts off of agricultural well motors in the area. One report came just a few hours prior to this incident, where a farmer chased a car that was located out in his field near a well motor. While traveling east on West County Road 180 we observed what appeared to be a vehicle traveling south on North County Road 243 coming Buckeye area. The vehicle the traveled past West County Road 180 and continued south towards Manila. I then

attempted to catch up to the vehicle and observed it's activity. I arrived on North County Road 243 and followed in behind the vehicle which was approximately a half mile in front of me continuing south. It appeared the vehicle only had one tail light and it seemed that the light periodically turned off and then back on. The vehicle then turned west onto West County Road 246 heading towards Highway 77. The rear tail light on the vehicle continued to turn on and off and it appeared that it again was switched back off as the vehicle crossed over Highway 77. I then got close enough to tell that the vehicle was an ATV and again observed the tail light being switched of and back on. The ATV pulled off onto the edge of the field at which time I conducted a traffic stop on the vehicle. We made contact with the driver Eric Lucy and the passenger Angie Cole, both of which I am familiar with and know to be involved with narcotics. While exiting my patrol vehicle I observed both subjects to be manipulating something on the right side of the ATV out of my line of sight. I asked both subjects to step off of the ATV so that we could check them for weapons. Deputy Dill checked Lucy for weapons and while patting him down, asked him if he had weapons on him in which I heard Lucy reply "yeah, I got a knife in my pocket". Lucy then gave Deputy Dill permission to remove the knife from his pocket. As Deputy Dill removed the knife several other items came out with it including a plastic baggie, a cigarette lighter, a small wooden handle along with the knife blade. Deputy Dill examined the plastic baggie and he observed a smaller plastic baggie inside of it containing a small amount of suspected meth. Lucy was then place under arrest for the substance. While checking the area around the ATV I located a purple "string back pack" laying on the ground. I picked it up and asked both suspects who the back pack belonged to and Lucy replied " the bag is mine but her purse is in it, everything else in it is mine. Upon examining he contents of the back pack I located a set of (Weigh max) digital scales. Lucy was arrested and charged with careless driving, Possession of a Controlled Substance (Meth) and Possession of Drug Paraphernalia. Cole was arrested by Manila PD for a FTA out of Manila City. The suspected meth showed a positive field test for meth and weighed approximately 0.4 grams. Nothing further at this time.
